INVOLVEMENT

Salisbury Coach Analysis
CEO and Founder

San Jose, CA
June 2026-August 2026

- Created, story-boarded, and developed a new and unique idea to create a product to assign soccer coaches data-backed grades
- Utilized advanced AI agent management to efficiently and effectively develop, test, and implement innovative ideas in sports analytics
- Created a working user interface and a public website to display research findings and show proven results both theoretically and predictively, at coach.salisburyclan.com

Hoeft Technology and Management
Student

Champaign, IL
May 2026-Present

- Collaborated with other students with a passion for innovation to develop new ideas and expand on existing ideas and each other's innovations
- Toured and explored several major businesses in the Chicago area to better understand how innovation and problem-solving work at major firms

PROFESSIONAL EXPERIENCE

Great America
Games Associate

San Jose, CA
June 2025-August 2025

- Worked 20 hours a week communicating with customers and advertising goods and services to thousands of customers a day
- Cooperated with employees within and outside of my division to solve problems for customers around the park, going above and beyond to ensure their experience
- Reliably showed up on time and picked up extra shifts when needed to ensure that there was the necessary staff to deliver our best product
